BEDS NZ

Quality, comfort and style at the touch of your finger tips.

For over 20 years **Tiltaway Beds** have been supplying high quality wall beds to customers throughout New Zealand.

Tiltaway Beds offer an extensive range with limitless combinations of sizes, colours, finishes and bedside storage cabinets.

With space at a premium and a growing trend towards apartment-style living, a **Tiltaway Bed** is the perfect solution to maximize a space without compromising quality, comfort or style.

QUALITY

All **Tiltaway Beds** come with a genuine Murphy Beds Spring Mechanism and patented Elite Frame.

Murphy Beds of Vancouver, Canada, are without a doubt recognised internationally as the premium wall bed mechanism manufacturers. Their spring mechanism encompasses strength and longevity through its superior quality, this guarantees that your bed will always be 'as light as a feather' to use. For this reason, **Tiltaway Beds** can confidently offer a 10 year warranty on all mechanisms.

COMFORT

From the beginning **Tiltaway Beds** teamed up with Sleepyhead so that our beds have a high quality custom made mattress.

All bed pricing includes a Sleepyhead Hotelier as standard. If you are after a little extra luxury you have the option of upgrading to the Executive, or the Executive Plush model.

STYLE

Each home is unique and so is your **Tiltaway Bed**. With a range of over 150 melamine colours and finish combinations you can customise your **Tiltaway Bed** to sit perfectly within your décor. Whether it is the sleek minimalist look of white you are after, or the warmth of a woodgrain, we will have an option for you.

Alternatively, you can choose to go for a lacquered finish in your choice of custom colour.

NEW BUILD, OR RETRO FIT-OUT AN EXISTING ROOM

Tiltaway Beds can be installed in an existing room or incorporated into plans for a new home. Please discuss your situation with us so we can tailor a design and plan to suit you.
